**MISSION STATEMENT**

- Holy Family Catholic Church is a spiritually and socially active parish. Rooted in the Word of God and nourished by the Eucharist, we celebrate the life of our Lord Jesus Christ by proclaiming the Good News and providing spiritual growth, support and service with love. Founded by Italian immigrants a century ago, today our parish continues the tradition of extending a loving, caring and affirming welcome to all who join us as we Continue Our Journey of Faith.
- La Chiesa Cattolica Santa Famiglia e' una parrocchia socialmente e spiritualmente attiva. Radicata nella Parola di Dio e nutrita dall'eucarestia, celebriamo la vita del nostro Signore Gesu' Cristo proclamando la buona novella e provvedendo crescita spirituale, supporto e servizio con amore. Fondata un secolo fa' da immigranti italiani, oggi, la nostra parrocchia continua la tradizione di estendere un amorevole, caro e riconoscente benvenuto a tutti coloro che con noi continuano e condividono il nostro cammino di fede.
- Ang simbahang katoliko ng banal na pamilya ay isang masiglang parokya sa espirituwal at ugnayang panlipunan. Nakaugat sa salita ng diyos at pinalusog ng eukaristiya, ipanagdiriwant namin ang buhay ng ating panginoong hesukristo sa pagpapahayag ng mabuting balita at paguudulot ng paglago sa kabanalan, paggabay, at mapagmahal na paglilingkod. Itinatag ng mga dayuhang italiano may isang-daan taon na ang nakakalipas, ngayon ang aming parokya ay patuloy sa pag-ugit ng tradisyon ng mapag-aruga, mapagkalinga, at mapagkilang pagtanggap sa mga sumapi saamin habang patuloy sa paglalakbay sa panaampalataya.

**FROM THE PASTOR**

**27<sup>th</sup> Sunday in Ordinary Time-B**

My brothers and sisters in the Lord!

Once again I want to take this opportunity to thank all of our volunteers who worked tirelessly during our 24<sup>th</sup> Annual Italian Festival in honor of Maria SS. Addolorata. Lots of love and, most of all, hard work goes into running this festival. The special gift of stewardship by all of our chairpersons and volunteers is giving of their Time, Talent and Treasure of heart for the benefit of our parish and, most especially, for the honor and glory of God the Father. I am most especially grateful to Gina and Alex Tamburri for all their hard work and patience in overseeing and making sure every detail, no matter how big or small, was taken care of. I am especially grateful to our heavenly Father for the perfect weather we enjoyed during these days. I thank all of our parishioners and visiting friends who support our festival each year. Your support each year allows this major parish fund raiser to be successful. Many thanks to all and may the special blessing of the Holy Family be with you always.

This past week was also very exciting with the presence of our Holy Father Francis visiting in Washington, New York and Philadelphia, and the message of love which he generously shared with us as we enter this Year of Mercy and the importance of Family. I am grateful for the special opportunity of having been able to celebrate at the Mass at Madison Square Garden last Friday. It was an awesome experience and the energy of our faith was surely present with the vast number of people in attendance. Fr. Mauro was also able to experience the same energy of Faith in Philadelphia on Sunday.

In today's Gospel, Jesus is being challenged by the Pharisees on where He stood concerning marriage and divorce. Jesus leaves no doubt about His position by emphasizing that marriage is a state of life created by God Himself, a lifelong union between one man and one woman kept together by a pledge of love and loyalty made in the presence of God. It's a union that cannot be undone, so when a couple marries there is no power on earth, short of death, that can free them to remarry. "What God has joined together man must not separate." Today we are called to reflect upon the dignity of marriage and on the permanence of the marriage commitment. We live in a world where Christians are bombarded from all sides with the worldly view that lifelong marriage is unacceptable. A good marriage must be created. It's not so much about finding the right partner as being the right person. In marriage the little things are most important, like speaking words of appreciation and demonstrating gratitude in thoughtful ways. It is also the ability to forgive and forget, which means never going to sleep angry. A married couple cannot stand together and face the world unless their union is based on love. It's the love that cements and binds the relationship for life. It's a hope and trust that has to be lived down through the years through those good times and bad times. The solemn pledge which is made at the altar of God, to love each other for better or worse should not be taken lightly but rather proclaimed with true sincerity of heart.

Today is also Respect Life Sunday; let us pray in a special way for the safety and respect of all from conception to natural death.

Peace,  
Fr. Joe

### STEWARDSHIP OF TREASURE

“So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name.” (Genesis 2:19)

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

And every elderly person...even if he is ill or at the end of his days, bears the face of Christ. #### **What is the Neo-Catechumenal Way?**

Thank you to Fr. Joe for giving me the opportunity to write about the Neo-Catechumenal Way. I have been part of this experience since 1995 and it has been the most forming, rewarding and faith-building experience of my life. The Neo-Catechumenal Way is one of the fruits of the Second Vatican Council, aiming to foster a spiritual and liturgical renewal within our parish community. As Pope John Paul II stated, "I recognize the Neo-Catechumenal-Way as an itinerary of Catholic formation valid for our society and our times." *Pope John Paul II, Ogniquilvolta, August 30, 1990.*

In the primitive church, no one could be baptized without going through a *Catechumenate*. But beginning with the time of Christendom, in the Constantine Age (5<sup>th</sup> century and forward) since the Church opened the door to the masses of people, it was more difficult to instruct the people into the faith. Thus, the transmission of the faith was assumed and delegated to the family. In modern times, we can no longer presume that the family, faced with the challenges of modern culture, will be able to form their children in faith, thus, the need for a Baptismal Neo-Catechumenate, which will help us to rediscover the richness of our Baptism. Pope Paul VI stated, "The 'before' or 'after' the Baptism (of the Catechumenate) is secondary. I would say the fact is that you aim at the authenticity, fullness, coherence, and the sincerity of Christian life." (*Pope Paul VI audience 8/5/74*)

And aren't we all aware of the need for an adult faith formation in our life? When we stop to think of the reason of our believing, or when someone asks us why we practice our faith and why we believe what we believe, we find it difficult to give reason for our faith. Even more so, when we are hit by events that are difficult to understand (tragic events, death, sickness, the abandonment by one who is dear to us, all that we call *the crosses in our life*), we become puzzled about our faith and some even stray from their belief. The Neo-Catechumenal Way aims to build up in us such a deep relationship of faith with the Lord which will allow us to be confident in His Fatherhood for us, no matter what. It is an experience of eternal life already here on earth. It is important for each one to discover that God is our Father who provides for all our needs and always decides what is best for us. It is also important for us to discover that the Church is our Mother, who always feeds us with the best of the food, that being the Word of God and the bread from the Eucharist and accompanies us through our life journey. The question may arise but I have faith. Why do I need to begin an itinerary of faith? Indeed, the presence of a Christian community aims at giving the sign of faith to those who do not have faith, namely the "far away" or to those who have lost their faith, "the fallen Catholics." In our modern, secularized society, it is very difficult to be a Christian witness; therefore we need a stronger faith to face the current challenges.

The Neo-Catechumenal Way is a catechesis which lasts about six weeks, meeting twice a week. The Catechesis is imparted by a lay team, accompanied by a priest, and is centered on the Good News of the love of God (*Kerygma*), who takes the initiative to rescue all human beings from the slavery to sin to a new life in Christ. All one need to do is come and LISTEN, and you will experience the how good is the Lord.
